Picking Up the Pieces: A Tale of Two Siblings' Survival, Love and Achievements is produced by
The Ciesla Foundation, a 501(c)(3) nonprofit organization.

Contributions are tax-deductible to the full extent permitted by law

For more than forty years, The Ciesla Foundation, a 501(c)(3) nonprofit organization, has produced documentaries that investigate non-stereotypical images of Jews in history and celebrated the untold stories of Jewish heroes. *Picking Up the Pieces* will further Ciesla's mission of bringing important stories to the forefront through this tale of survival and success against all odds.

The fundraising goal is \$700,000 – the amount needed to continue production, including research, scripting, rights clearance, sound and interviews.
